Water, Sanitation, Hygiene
School Project

The Goal

is to have an adequate and constant supply o

water

throughout the

22 primary schools(incl. Pre- and Kindergarte
in St.Patrick, St.Andrew and St. David.

Therefore the schools are being
assessed, categorized and prioritized
concerning their needs.
This project will have a tremendous impact on the overall
functioning of the institutions.

Emergency Water Supply Situation

Only 8 of the 22 schools have adequate emergency water supply.

At 14 schools there is insufficient volume
or
no tanks at all.

Students have to be sent home any time there is a shortage of water during dry season or any problems with the main pipe.
This happens 1-4 times in 6 month and it affects up to
3100 students.

Sanitation - some examples

2 toilets for 217 boys, 3 toilets for 185 girls

Toilets not functional, broken and dirty

3 urinals for 148 boys

Hygiene - *some examples*

7 basins for 403 students

no soap dispenser, no soap

no hand dryer, no paper towels

in
3 schools
