RI PRESIDENT K.R "RAVI" RAVINDRAN, (CONT'D)

A third generation Rotarian and a member himself since the age of 21, Ravindran has served on the Rotary International Board of Directors and The Rotary Foundation Board of Trustees and as RI treasurer.

As his country's national PolioPlus chair, Ravindran headed a joint task force of the Sri Lankan government, UNICEF, and Rotary and worked closely with UNICEF to successfully negotiate a ceasefire with the northern militants during National Immunization Days. Aided by Rotary's efforts, Sri Lanka reported its last case of polio in 1994.

He also chaired the Schools Reawakening project, in which Rotary District 3220 raised more than \$12 million to rebuild over 20 tsunami-devastated schools to benefit 14,000 children. He continues to play a role in his club's project to build a cancer prevention and early detection center in Sri Lanka. Once completed, it will be the only dedicated national facility to offer comprehensive screening and early detection services.

Ravindran is a recipient of The Rotary Foundation's Citation for Meritorious Service, Distinguished Service Award, and Service Award for a Polio-Free World.

He and Vanathy have been married since 1975, and they have two children and a recently born grandchild.

HIGHLIGHTS OF THE JOINT INSTALLATION- JUNE 27, 2015

During the year 2015-16 the Rotary Club of Barbados will implement the following goals.

1 To improve public awareness of the work of Rotary and encourage greater participation among members.

In addition to the plans and programmes of the Board twelve separate Rotarians will implement twelve Needy Community Projects during the coming year.

Invite media coverage for all projects and use our web-site and social media to promote the club and activities

2 To Partner with Community Projects that address needy children and adults.

3 To implement the community re-integration program among teenagers living in care in order to:

(a) Develop each child's aspiration for an appropriate career path or potential work options;

(b) Inspire the children to become good, happy and productive citizen.

4 Raise awareness among adults, teenagers and young children about the danger of Drug Abuse and cyberbullying and change behaviours of young people to stop and prevent it.

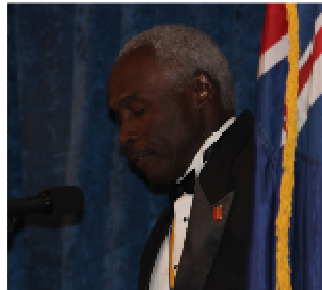

5 To increase awareness of the Club's responsibility to Rotary International by encouraging individual 100% contributions to R I.

6 To embrace Rotaract's participation in our Planning, Projects and Awards.

7 To increase membership by inducting at least ten new members.

In order to go forward it is important that we look back on our achievements as listed by Past President Alex and the Themes that inspired us to continue as Rotarians. In the year 2013-14 we were encouraged to "Engage Rotarians Change Lives," in 2014-15 we were encouraged to "Light Up Rotary," and for the year 2015-16 we will certainly "Be a Gift to the World. I thank you.
