## VOCATIONAL SERVICE, ONE OF THE MOST IMPORTANT ENGAGEMENT OF ROTARIANS !

October will see the realization of many vocational service projects in our district 7030, either to promote the acquisition of knowledge, or to promote economic development.

Our scale, we decided this year to organize the RYLA this month to mark this Rotarian commitment to prepare future professionals.

This RYLA is an opportunity of many challenges because:

- it is the first time he stands in francophone territory;
- it takes place at Marie-Galante, one of the islands of Guadeloupe;
- it stands very early in the Rotary calendar.

On behalf of our District, I would like to congratulate all of fellow Rotarians of Marie-Galante and Guadeloupe for their commitment to our youth.

## END POLIO NOW Program

October 24<sup>th</sup>, we will celebrate World Polio Day.

Rotary International engaged for a World free Polio since many years.

With END POLIO NOW Program, Rotary International and Rotary Foundation Trustees decided that our goal will be Polio eradication in our planet.

At 2017 International Convention in Toronto we will celebrate reaching this goal.

To help us, Bill GATES through his Foundation has chosen to double any Rotarian gift to POLIO PLUS fund.

Now, it's time to act to have a significant contribution of District 7030 in the mobilization launched by the worldwide organization who decided to join.

### Share your Polio Initiatives

Can you share your initiative on District 7030 Facebook page?

Or address your projects presentations to District Secretary to put them on District 7030 website!

## How to join this program at the Rotary Club level?

There is no exhaustive projects list to join END POLIO NOW program at the club level, but PP Roger PARFAIT, POLIO PLUS Director for Rotary Year 2013-14 suggests you some examples:

1. Organize a Guests Club Meeting on Polio and Rotary International doing to eradicate it on our planet.
2. Organize a fundraising project to contribute to Rotary Polio Plus fund: our goal will be, for example, to collect 150USD per member with allow, for District 7030, to collect around 300 000 USD!!!!

On this last point, we propose to you to join CROCUS initiative from Rotary International in British Islands: buy Crocus flowers and sell them for 2USD each.

So, if each of us sell 75 samples, we will reach the goal!!!

To start, we can invite family members, neighbors, colleagues, friends, etc., to engage to buy flowers: you can collect the money that will allow each club to have the funds to order the purchase of crocus flowers.

On the next page, you will find a presentation of this initiative and you will decide if your club must join!

Go on the website [www.rotarycrocous.com](http://www.rotarycrocous.com) .

**THANK YOU**  
for wearing this crocus  
and helping to  
**END POLIO NOW**

End  
Polio  
Now

End  
Polio  
Now

**Polio** kills and paralyses young children.

It spreads like wild-fire. There's **no cure** but it can be **easily prevented** through immunization.

This crocus is **purple** like the dye put on the fingers of children to show that they have been immunized.

25 years ago, polio **struck 350 000 children** each year.

Thanks to the **work of Rotary** and others, there were **only 223 cases** in 2012.

We are '**this close**' to a **polio free world**.

**With your help we can make history and conquer polio.**

*Thank you.*

## Trinidad South Clubs Official Visit

I should thank AG Roger BOSE for the intensity and the quality of my stay with the clubs of the South in Trinidad: San Fernando, San Fernando South, Pointe-à-Pierre, Point Fortin and Penal.

I was impressed by the commitment dedicated to youth: besides, I could, during the closing ceremony, meet with Rotaractors and visited Mayaro RC Primary School.

Let me also thank Rotarian Varsha who gave me the pleasure, on behalf of all the Rotarians of Trinidad South, to offer me a beautiful original painting!

# Look on our Future!

## **RYLA 2013 : Our District supported two Rotaractors**

On behalf of all the District 7030 Rotarians, I took the initiative to support the participation of two young Rotaractors:

- Anna BERCHEL, Deputy District Rotaract Representative;
- Candy ENOE, Member of the Rotaract Club of Grenada.

If Anna is no longer present, should you say a few words on Candy.

Candy joined Rotaract two years ago, and she is currently Secretary of the Rotaract Club of Grenada.

She works in the Netherland Insurance company headed by PP Richard Strachan.

AG Alana WILSON was able to measure Candy's qualities of Candy: alert, engaged, worked outstanding.

Orphaned, it assumes all alone.

By supporting these two young people, it was to encourage them in their engagement with the Rotary to change lives.
