Dear Rotarians

Annually in March, the Rotary family celebrates World Rotaract Week. We honor the chartering of the first Rotaract club in North Carolina, USA on March 13 1968. Although, this year celebrating Rotaract Anniversary is more special with the mark of 50 years of Rotaract the world over. The celebration should be about the successes and importance of the Rotaract program. It is also to emphasize the relationship between Rotaract and Rotary. We should inform our community more about how Rotaracters are making a difference in the lives of others by serving humanity.

Rotaract, as a Rotary program, is to develop and shape the future leaders of our communities. By the Rotaract program Rotary provides service not only to the community but also through the community, the Rotaracters.

**That's why as**

Rotarians we should support our Rotaract clubs, collaborate with them on different projects and involve them in our projects from the planning stage on. Too many times we only use them as manpower and not tapping into their brainpower. Traveling around the district, meeting with the board and the members of the Rotaract Clubs, I was amazed by the way many of the clubs were organized, but most importantly by their projects. Let me take this opportunity to congratulate the Rotary clubs that are sponsoring a Rotaract club on the 50<sup>th</sup> Anniversary of the first Charter and express my appreciation for their commitment to the Rotaract program. To the other Rotary clubs, **I'm asking you to grow the Rotaract program by** chartering a club and continue making a difference.

# WORLD BANK AND ROTARY INTERNATIONAL CELEBRATE INTERNATIONAL WOMEN'S DAY

By **Ryan Hyland** Photographs by **Karen Sayre**

Three Rotary women were recognized on 7 March at the [World Bank](#) in Washington, D.C., USA, for their commitment to improving lives through innovative humanitarian projects.

The celebration, hosted by the World Bank Group Staff Association, and sponsored by Rotary International and investment firm Oppenheimer & Co., was one of many events held this week to mark International Women's Day, which is on 8 March each year. It highlighted the positive changes women make around the world. Annette Dixon, vice president of the World Bank for South Asia, moderated the event.

Speaking to more than 300 people, with thousands watching the livestream, Dr. Geetha Jayaram, Marie-Irène Richmond Ahoua, and Danielle De La Fuente, all Rotarians, told their stories and explained how their work helped poor women in India gain access to mental health care, vaccinate hundreds of thousands against polio in West Africa, and empower refugee children around the world.

Jayaram, a member of the Rotary Club of Howard West, Maryland, USA, and a recipient of the Rotary Global Alumni Service to Humanity Award, told the audience that her mental health clinic has provided nearly 2,000 poor people, mostly women, each year with comprehensive care in more than 200 villages in southern India.

Marie-Irène Richmond-Ahoua, a member of the Rotary Club of Abidjan-Bietry, Côte d'Ivoire, served as Rotary's PolioPlus chair for her country and now helps coordinate immunization activities in West Africa. She is an international communications consultant and worked as an outreach adviser for the United Nations Operation in Côte d'Ivoire.

Danielle De La Fuente, a member of the Rotary Club of Coronado Binacional, California, USA, is co-founder of [The Amal Alliance](#). The nonprofit group empowers refugee children around the world through social development and educational programs. She worked at the National Defense University in Washington, D.C., where she fostered good relations across the Middle East South Asia.

## SCHOLARSHIP FOR WATER AND SANITATION PROFESSIONALS

The Rotary Foundation and IHE Delft Institute for Water Education work together to tackle the world's water and sanitation crisis. We're offering up to 10 scholarships for graduate study at the IHE Delft campus in the Netherlands. The partnership aims to increase the number of trained professionals who can plan and implement water and sanitation solutions in developing areas. The scholarships are also designed to promote long-term, productive relationships between Rotarians and skilled water and sanitation professionals in their communities.

Scholars will receive a Master of Science degree in urban water and sanitation, water management, or water science and engineering. Graduates work with their sponsor Rotary clubs on a related project to benefit their local community. **The application is due 15 June.** For more information, review the [application toolkit](#) and [scholarship terms and conditions](#).

I am pleased to announce that the Rotary International office in Zurich, Switzerland, will coordinate this scholarship program. If you have questions, please write to Vanessa Court-Payen at [vanessa.court-payen@rotary.org](mailto:vanessa.court-payen@rotary.org).

*PDG Roger with club presidents and AG Gary*

On 27<sup>th</sup> February 2018, the Trinidad East Cluster Clubs held a joint meeting to mark the 113<sup>th</sup> Anniversary of the founding of Rotary which is observed annually on 23<sup>rd</sup> February.

In addition to the members of the five east cluster clubs (St Augustine West, St Augustine, Piarco, Arima and Sangre Grande) we had Rotarians from other Clubs in attendance including:

- Past District Governor Joe Ramkissoon;
- Past District Governor Stephen Ramroop and his Partner-in-Service Joanna;
- Immediate Past District Governor Roger Bose
- Assistant Governors Gary Williams (East Cluster); Lisa Francis (Central Cluster) and Vilma Bellamy (South Cluster);
- Immediate Past District Secretary Ann Marie Rogers and her Partner-in-Service Roland.

*PDG Roger addressed the gathering and provided some inspiration on how we may become stronger Rotarians who would bring value to our clubs.*

## ROTARY CLUBS OF THE TRINIDAD EAST CLUSTER 113<sup>TH</sup> ANNIVERSARY OF ROTARY (CONT'D)

He also distributed awards and banner recognitions to the Rotary, Rotaract and Interact clubs that had achieved these during the 2016-17 year.

At 19:05 Chicago, USA time (21:05 local time), the group assembled in the car park to release a sky lantern as they toasted to Rotary International. This lantern launch was supervised by Past District Governor Stephen Ramroop.

# PLANT A DIFFERENCE

In honor of 50 years Rotaract the “Plant a Difference” project was implemented.

Together with our Rotary and Interact club we planted 65+ personality trees in at least 26 different locations to leave a Sparkle, make a difference and save the environment. Trees were donated by Rotaractors, Rotarians and Interactors who did the

RI Personality quiz. The planting was separated in 2 days. 50+ trees were planted on March 10<sup>th</sup> and on March 13<sup>th</sup>, 15 palm trees were planted on the new soccer field near the grand café of the Surinamese Soccer Corporation. The goals for this project were successfully achieved and we celebrated 50 years Rotaract like a boss.

### CLUB CLINIC

## FIVE STEPS TO TELLING A PEOPLE OF ACTION STORY

The new People of Action public image campaign helps you bring the Rotary story to life by showing Rotarians as the people of action we are.

Telling our People of Action stories in a meaningful, coordinated way builds the public's understanding of who we are and what we do. It highlights the impact we make in our communities and around the world.

USE THE FOLLOWING QUESTIONS TO DEVELOP YOUR OWN PEOPLE OF ACTION STORY (LIKE THE ROTARY CLUB OF GOLDEN, COLORADO, USA, DID)

### 1 WHAT WERE YOU OR YOUR CLUB TRYING TO ACCOMPLISH?

What was the problem or challenge in your community that your club wanted to help solve? Describe how your club members identified the problem. Did you have national or global statistics that showed the importance of addressing this issue?

### 2 WHO IS YOUR STORY'S AUDIENCE?

Beyond Rotary members, who were you trying to reach? What did they know about Rotary? What did they think and feel about us? What do we want them to think and feel?

### 3 HOW DID YOU OR YOUR CLUB TAKE ACTION?

Describe how you gathered resources and used the expertise of Rotarians or community members to tackle the challenge. What obstacles did your club face as you worked on the project? What action phrase best represents the action you took? (Together, We Connect? We Transform? Inspire? End Polio?)

### 4 WHAT WAS YOUR IMPACT, AND WHAT EVIDENCE SUPPORTS THIS?

What were the outcomes of your project? How many people did the project affect? What are some relevant statistics? (Be careful not to use too many numbers.) What changes did the project produce? How did the project touch the lives of people in your community?

### 5 WHAT DO YOU WANT YOUR AUDIENCE TO DO NOW?

The key to any good ad is your call to action. Do you want your audience to learn more, support your cause, or perhaps join you at an event?

Once you've created your People of Action story, use it to promote Rotary in your community. Share it with us, too. We select a few stories to post on our blog, Rotary Voices. For additional help, download our People of Action materials in the Brand Center.
