## HIGHLIGHTS FROM THE LAST WEEK'S MEETING

### PARKINSON'S DISEASE PROJECT

Rtn Jean St. John reported on the success of the first event of the Barbados Parkinson Trust, which was held Saturday, April 8th at the Limegrove Cinemas. The seminar was well attended by 109 persons. The press houses were also well represented.

The seminar was very informative and gave everyone in attendance a better understanding of the disease, its effects and how to support the patients, as well as the caregivers. The feedback from persons attending was very positive. Special thanks was given to the following Rotarians for their help and assistance at the event:

Marcia Cyrus, PP Ian Hinds, PE Michael McClean, PP Len Ross, PP Joe Steinbok and Martin Steinbok.

The press coverage of the event provided members of the public with a greater awareness of Rotary West's involvement in projects of this nature. Sec. Martin informed the Club that going forward we should make this a joint event and not just a mere sponsor of the Trust. He added that these types of projects are those that West should endeavor to support.

Rtn Jean also informed the Club that, although the details are not set in stone, the Barbados Parkinson Trust, with the help of Rotary West, proposes to make this an annual event and expand its reach throughout the Caribbean. Another seminar is being scheduled for next year. She hinted that the event would take the form of a conference and would include some visitors/Parkinson's patients from the region. The event would encompass workshops for patients, family, care-givers.

The Parkinson's Awareness Seminar was a success. Rtn Jean's efforts were highly praise by President Kevin. He suggested that Rtn Jean look into the Grant funding as this project may fall into the category for District funding and support. Lastly, he informed the Club that after the seminar, Rtn Jean had accident which totaled her vehicle, but thankfully, did not cause any injuries.

### EASTER HAMPER PACKING PROJECT

Although this project was reported as being a success, in excess of 7 hampers remain undelivered.

It is clear that some Rotarian have not collected and delivered their allotment of food hampers for the Easter schedule. With the absence of the attendance register and the misplaced lists of the remaining hamper deliveries, it has been difficult to identify and deliver the remaining hampers to those persons in need.

Sec. Martin strongly encouraged Rotarians to respond to the confirmation of Hamper Attendance. This would greatly assist in identifying those families that have received a food hamper. As upstanding Rotarians, we are reminded of the Four Way Test and our purpose and roles within Rotary, Service before Self. Rtn. Marcia has suggested the amendment of the administrative process as a potential solution.

### THE NATIONAL ANTHEM OF BARBADOS

In plenty and in time of need  
When this fair land was young  
Our brave forefathers sowed the seed  
From which our pride is sprung.  
A pride that makes no wanton boast  
Of what it has withstood.  
That binds our hearts from coast to coast  
The pride of nationhood.

We loyal sons and daughters all  
Do hereby make it known  
These fields and hills beyond recall  
Are now our very own.  
We write our names on history's page  
With expectations great.  
Strict guardians of our heritage  
Firm craftsmen of our fate.

### ROTARY GRACE

O Lord and giver of all things good,  
We thank thee for our daily food.  
May Rotary friends and Rotary ways,  
Help us to serve thee all our days.
