AUDITOR'S REPORT

TO THE DISTRICT GOVERNOR OF ROTARY INTERNATIONAL DISTRICT 7030

I have audited the accompanying financial report of Rotary International District 7030 which comprises the Statement of Revenue and Expenditure for the year ended June 30, 2016 and a summary of significant accounting policies and other explanatory notes.

District Treasurer's Responsibility for the Financial Report

The District Treasurer is responsible for the preparation and fair presentation of the financial report in accordance with the accounting policies as disclosed in note 2 to the financial report, as determined to be necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

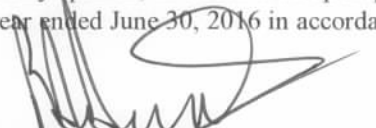

My responsibility is to express an opinion on the financial report based on my audit. I have conducted my audit in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the District Treasurer, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, this financial report presents fairly the financial performance of Rotary International District 7030 for the year ended June 30, 2016 in accordance with the accounting policies in note 2 to the financial report.
