Rotary Club of Georgetown Meeting of 16th Sept 2015

We Missed you...This is What You Missed!

From the Desk of the Secretary

- We had our first Quarterly off site meeting at the Herdmanston Lodge. It was a full house and we had the pleasure of AG Keith attending. A warm welcome back was extended to VP Clyde, AG Juman Y and Rtn Clyde M who were all out of the country. PP Affeeze made his second consecutive meeting and we are happy that his eye sight seems to be fixed on Rotary.
- Our Legend Baby Boy Jhuman made a presentation on his life and years in Rotary. He joined the Club in Nov. 1977 when there were just about 30 members. He held several positions as Directors but never accepted to be President because of his business commitments and making a ton of children. He worked in the Rice and Agriculture Industry, taking over from his father. He was very happy with the work PP Liz has been doing to keep Rotary alive and blazing.
- President Liz announced that there was a Ceremony to mark the end of the apprenticeship Programme. She thanked Courts and Hand in Hand Insurance for a major being part and it is a high possibility that some of these students may continue to work at these companies. PE Lisa was the only other Board member present and she called on the Sarg to fine the rest.
- Rotary Inter Club Sports was held on Sunday 13th Sept and 4 teams from Georgetown and 1 from New Amsterdam, Berbice took part. Our Club had the highest number of Rotarians present but this did not enable us to win. We got second to Stabroek. PP Peter F took the march pass.
- It was agreed that some of the other Clubs were not honest as some of their reps were not Rotarians or immediate family members. They did not make the event fun as they tried to win at all cost, even making events repeat when they lost.
- Rtn Gary and Irshad who filled in for Dir. Roger did an amazing job being on the field all day. As usual the touch of class by Presi Lizzie resulted in medals, trophies, certificates and prizes which made the event stand out.
- Sarg PP Johnny finally got to roast Dir Sheldon for the pressure he left him.
- Attendance at meeting was 55 %.
