SERVICE ABOVE SELF

Living the Rotary Values

In this edition we will feature the joint project by the RCGI and the RCSL as a significant achievement towards achieving one of the objects of Rotary.

The focus will be on the third object which is:

The application of the ideal of service in each Rotarian's personal, business and community life.

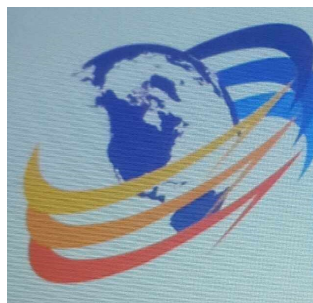

The wheel chair project exemplifies all these values as Rotarians spent a week bringing joy to the lives of many by showing a gesture that some may consider simple but had the impact of touching many lives

This was indeed a proud moment

The Four-Way Test

OF THE THINGS we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and better FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

First Ever

“Early Act” Club

Rotarian Code of Conduct

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

1. Act with integrity and high ethical standards in my personal and professional life.
2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

Special thanks to outgoing Board and welcome new Board.

JOKE OF THE WEEK

When I was young I decided I wanted to be a Doctor, so I took the entrance exam to go to Medical School.

*One of the questions asked was to rearrange the letters *PNEIS* into the name of an important human body part which is most useful when erect.*

Those who answered "spine" passed and are Doctors today.

The rest are STILL sending jokes via email.

Thank you!

Board 2016 - 2017

President Elect – Selma St. Prix

Vice President – Timothy Moffat PHF

Immediate PP – Timothy James

Secretary – Joanna Charles

Treasurer – PP Frank Myers PHF

District Responsibilities

Assistant District Governor – PP Conrad F Wagner PHF

District Advisor (TRF) Major Gifts – PAG Malcolm Charles PHF

Vice Chair IFRM D7020 & D7030 – PAG Malcolm Charles PHF

Leadership.—a word often used to describe people who have achieved greatness, larger than life and flamboyant characters. Often times overlooking the quiet, unassuming leaders who achieve the same greatness but in a less extravagant way. To-day, we highlight a true leader, our President Timmy who brought our club to levels never seen before in the history of the club. Hats off to you President Timmy for your exemplary leadership.

Leadership

is about making others better
as a result of your presence and
making sure that impact lasts in
—— your absence. ——

— Sheryl Sandberg
COO of Facebook

Wheel Chair project Day 1

It all started with a boat trip to lovely Soufriere on the west coast.

From all indication, this project was a huge success. It brought smiles to many faces across the country from Gros Islet in the North, Babonneau in the East, Vieux Fort in the South and Soufriere in the West. It started with a gift from

the wine for wheels wheel chair foundation and made possible by the Rotary Clubs of Pleasanton and Danville California. Together with our clubs, the week long distribution began. If you're a Caribbean Rotarian, you must know that all

work and no play make Jack and Jill dull Rotarians. So in real WI Rotary style, some fun was thrown in the mix.

Special thanks to ADG Konrad and PADG Lisle and President Timmy for making this a reality.

Rotarians love to pose for a Pic. It was indeed a lovely day

Early Act ?n the making? ?????

Rotarian Mary posing in a wheel chair in Mary style

PP Lisle trying to set up a chair

Wheel chair distribution continues

It is said that a picture is worth a thousand words. The pictures below of people receiving wheel chairs need no words. The smiles tell it all. Special thanks to Past Presidents Konrad, Lisle president Timmy and our friends from the Rotary clubs of Pleasanton and Danville for making this a reality . In October of this year our club celebrates its golden

jubilee. This has been 50 great and memorable years which will be depicted in many forms, starting in the new Rotary year. A committee has been established chaired by PP Leathon. The calendar of events will be shared with the club soon. Rotarians are encouraged to participate in the activities.

Look out for more updates in subsequent publications of the SKOPE.

Rotary Mean—It

The mean –it of May 13th was delivered by PP Chester directly from his heart.

He began by citing the Four Way Test. Secondly he mentioned conflict and differences that members have with each other that they need to address and remedy starting now. He indicated that we all come from different social and other back grounds with different personalities so there will always be conflict. However we must reconcile our differences to build good will and better friendships and make things beneficial to all concerned.

It is important that for our club to be successful, we must overcome these differences and put them aside in furtherance of the club's objectives.

“ S P O K E ”

Rotarians at play

Many Rotarians showed up for this joining fellowship at Rotarian Ealy's home on Thursday 19th. From the photos it is very evident that every one was having a great time. I think both PP Brad paul and his wife should be fined for having such a great time. Sarge please take note.

Wine for wheels

The week culminated at Friday's lunch May 20th

Flags were exchanged and gifts were given to our friends from LA and Atlanta. It was indeed a bittersweet ending to a great week.

Great attendance by Rotarians

The Masterminds behind this project (above)

A good time was had by all.
