The logo for District 7030 Interact Changemaker is located in the top right corner. It features a large, stylized letter 'C' composed of several interlocking puzzle pieces in various shades of blue and green. Inside the puzzle pieces, there are small icons of people working together, a ladder, and a gear. To the right of the 'C', the text 'District 7030 Interact' is written in a small, sans-serif font, with a small Interact gear logo to its right. Below the 'C', the word 'CHANGEMAKER' is written in a larger, bold, sans-serif font.

**A WORD FROM DISTRICT 7030 GOVERNOR
AND DISTRICT INTERACT CHAIR**

My Dear Interactors of District 7030, it is my pleasure to welcome you to our District Interact Newsletter. This quarterly publication will be chock-full of stories and ideas on Interact and Interactors around our District and why you made the right decision to join the Rotary Family.

I know that the past year and a half has been challenging but as Rotarians, we are resilient and it shows by the projects that you have undertaken and the impact that you have achieved. Please use this opportunity to share your efforts and show off your exploits. We, in District 7030, are here to support you and your District Interact Team has all kinds of plans for the year. Stay Safe as we Serve to Change Lives...

DG Sonya

DISTRICT GOVERNOR

SONYA ALLEYNE

Dear Interactors,

Happy New Rotary Year and thank you for choosing INTERACT!

We are so excited to launch this 1st Edition of our Interact Changemaker Newsletter!

Through this medium, we hope to promote and give visibility to all Interact Clubs, to showcase and to celebrate all of your achievements.

As you plan out your year of Service, we encourage you, our young Leaders, our future Rotarians, and Community Leaders to SERVE to CHANGE LIVES, to become Interact Changemakers, to embrace our Rotary values as embodied in the Four Way Test, and to stand tall and proud as Interactors of District 7030.

INTERACTOR SPOTLIGHT

*Ms. **Tiana Jaikaran** came to Shiva Boys Hindu College in September 2019 to pursue her studies in the field of Science. From the first time I met this student I knew she was very special young lady. Tiana expertly balanced her academics with her school and secular activities. In 2020, she was voted in as the clubs' Vice-President. She was very passionate about fulfilling the goals of the Interact club. Her exceptional leadership and clever decisions have impressed many. She raised the standards of the club through her diligence and drive for advocacy work. Tiana is truly a remarkable young lady; I am certain that she is going to do great and creative things in the future. She will be dearly missed at Shiva Boys. We wish her well in her journey and wish her success in all her future endeavors.*

The Interact Club of ASJA Girls' San Fernando participated in a school rehabilitation project for the Cipero RC Primary School. Our members partook in painting of the entire school, cleaning and several other preparations for the next school year. The interactors enjoyed their time volunteering and the students of the school were very excited about their new school! We look forward to executing and participating in many other activities like this, in order to achieve our goal of making the biggest and most positive impact that we can.

September is basic education and literacy month and we've decided to facilitate a book and stationery drive for the students in both secondary schools and primary schools. From this drive, we were able to amass 100 fully stocked pencil cases, and well over 700 notebooks and copy books, which were donated to Marabella Government Primary School, 233 textbooks that were distributed among Presentation College students, in need and other Secondary Schools in San Fernando, \$600 cash donation to the College, towards the purchase of school supplies, school uniforms and other items in need.

SERVICE

To recognize Basic Education and Literacy month, Naparima Girls' High School Interact Club hosted its first virtual literacy evening "*Reading between the lines*" on September 23rd, 2021 featuring local published authors Mr. David Rajpaulsingh and Ms. Samantha Sankar. The evening aimed to build a stronger sense of writing within students. Both writers successfully enlightened the audience of NGHS students and Interactors from neighbouring schools on inspirations for their books, their writing process and provided tips for young writers embarking on this journey.

The evening was a success and concluded with readings from, "*Mystery at Main Ridge*" and "*Running with Daffodils*."

NAPARIMA GIRLS' HIGH SCHOOL INTERACT CLUB VIRTUAL LITERACY EVENING

The Interact Club of SBHC decided to embark on a Book Drive to provide free textbooks and stationery to deserving families. The project initially was targeted to assisting Shiva Boys students but then mushroomed into a nationwide project. The club received donations from all over Trinidad and was able to provide a multitude of school items to over 70 students and counting with a full booklist covered in many cases.

This project is part of the clubs “It takes a Village” initiative, as it takes a village to raise a child. This project has been extremely successful and plans are to continue this project at the end of the next academic school year.

With increasing rates of urbanization, habitats are being destroyed and many bird species are threatened. The graduating students of the Interact Club wanted to leave piece of themselves with the school. As they did not have a graduation ceremony and being Environmentalists, they wanted to raise awareness of the importance of birds and preserving their habitat, so they embarked on a Bird Feeder Project. They built bird feeders from recycled materials which they hung around the school.

Bird Feeder made by Vice President of the Interact Club Ms. Tiana Jaikaran. This was made from an old water container.

Interactor Vidal Deonarine with his lovely design. His bird feeder was made with scraps of Cedar.

Interactor Ms. Breanna Lewis, which her bird feeder made with scrap wood, PVC ceiling, coffee and water bottles. She also included a short motivational message for her fellow students.

In celebration of Rotary International's September focus, "Basic Education & Literacy month", St. Joseph's Convent San Fernando's Interact Club collaborated with Shri Krishna Kindergarten, Trinidad. At a time when social interaction has been stymied, the members persisted in establishing relationships of service through animated, pre-recorded, virtual book readings, which were added to the adopted school's weekly student packages. Each reading was ocean themed to expand knowledge of sea creatures, and educational activities were also incorporated to enhance critical thinking, and hone interest in numeracy. The Covid- 19 Pandemic has forced us all to embrace new and innovative strategies and SJCSF'S Interact Club was delighted to be of service.

**SAINT JOSEPH'S CONVENT INTERACT CLUB SAN FERNANDO
LITERACY PROJECT**

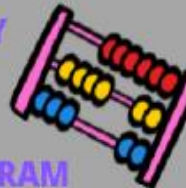

In celebration of Basic Education and Literacy month we decided to have an educational series to expand individuals' knowledge and understanding about basic everyday principles that we often do not think about or have an understanding of. This project is a virtual project held on the club's Facebook and Instagram social media pages every Monday, Wednesday and Friday. Club members are given the task to come up with a creative way of presenting a topic, club members of different ages participated and were able to share their talent and creativity. This exercise increased their time management skills, leadership and responsibility while all in all expanding their own knowledge in a fun way.

INTERACT JOUANACAERA

New
AND *Exciting*

Congratulations **INTERACT JOUANACAERA** - the very first Interact Club in Martinique!

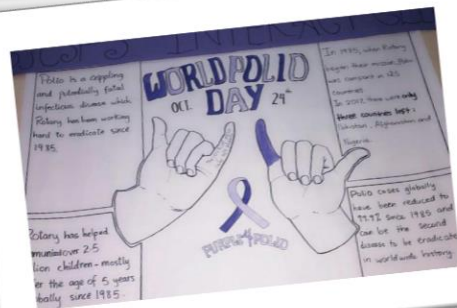

Interact Jouanaceara is a School based Club organized in January 2021 and chartered on the 18th of March 2021. The Club has 27 members who are all students of Lycée de Bellevue Martinique. Interact Jouanacaera has been active from inception, its members becoming involved very early with Environmental Sustainability and Peace projects. By their involvement, they have already demonstrated the spirit of Rotary, the passion and interest necessary to become a phenomenally successful Interact Club! Thank you so very much for your interest in Interact and for being part of the Rotary Family.

Thank you to the Sponsor Rotary Club – Coeur Caraïbes

ST. JOSEPH'S CONVENT SAN FERNANDO

St. Joseph's Convent, San Fernando's Interact Club celebrated World Polio Awareness Day on the 24th of October 2019 under the direction of the then President, **Ms. Kreya Gopaul.**

NAPARIMA GIRLS' HIGH SCHOOL

Since 2017, the Interactors of Naparima Girls' High School have worked as Autism aides for Autism TT's Fun Day during the Easter and Christmas vacations. Interactors were happy to work alongside Autism TT in providing Autistic children with an opportunity to participate in artistic activities. These evenings were not only enjoyed by the children, but the Interactors as well.

SIR ARTHUR LEWIS COMMUNITY COLLEGE

Interact was newly introduced to the Sir Arthur Lewis Community College approximately five years ago. During the years, there were two major projects which the club undertook: a Creole breakfast at St. Lucy's Home, an elderly home on our island and a Christmas gift drive for students in Vieux Fort located in the south of the island.

In December 2018, Christmas gifts were collected and distributed to the students at the Vieux Fort Primary School as part of their good turn activity. The kids were very happy, and the school was elated that the kids were able to enjoy Christmas.

In October 2019, the club members made contributions towards the breakfast for the residents and spent time with them playing dominoes and conversing with them. The visit coincided with World Polio Day where purple ribbons were handed out to the residents of St. Lucy's Home to spread awareness.

INTERACT CLUB OF GUADELOUPE

The Interact Club of Guadeloupe has been working for its island for six years now. We are a community club, sponsored by the Rotary Club Doyen de Pointe-à-Pitre. Like the wheel of Rotary, our club rotates and evolves gradually as we serve as presidents and have inductions.

This year, our projects will focus on intergenerational, strengthening links with Interact clubs in the District and around the world. At the same time, we will continue to defend the causes of Rotary International, such as the promotion of peace, the fight against disease and the environment, through our flagship actions.

INTERACT CLUB OF ASJA GIRLS' COLLEGE

The Interact Club of ASJA Girls' College, has planned to execute an "Adopt a Primary School" project. This activity aims to assist an underfunded primary school with underprivileged students, by providing extra academic assistance via zoom tutoring classes, and, an avenue for creativity and recreation.

This project will provide aid for students in need of academic support, in addition to a productive recreational activity. It is also an opportunity for the interactors to gain experience sharing their knowledge in different ways and lending a hand to those in need, hence developing our schools, communities and furthermore our country.

WHAT IS INTERACT

Interact
Rotary Sponsored Club

Interact is a Service Club for youth ages 12 to 18, and it fosters developing leadership competencies while learning the supremacy of '**Service Above Self.**' Interact Clubs can either be school or community-based. Clubs are sponsored by a Rotary club or jointly by a Rotary and Rotaract Club, which provide support and direction, but they are self-governing and self-supporting.

There are over 14,911 Interact Clubs worldwide in about 145 countries with a total membership of about 342, 953 youths.

There are several benefits of joining an Interact Club, including discovering new cultures and promoting international understanding, becoming a leader in your school and community, and having fun while creating a lasting change across the globe and in your communities.

INTERACT

Clubs, just like Rotary and Rotaract Clubs are governed by a Standard Club Constitution and Bylaws. Every Interact Club must have this in place. Please speak to your Youth Service Advisor or Sponsor Club President if your Club has not yet adopted these Club rules and to ensure as well that you are using the correct versions, as Rotary International may make periodic changes.

Calling on all Interact Presidents to confirm to us by 31st December 2021 via interact@rotarydistrict7030.org whether your Club has adopted the current Standard Club Constitution and Bylaws.

EFFECTIVE LEADERSHIP TRAITS

Leadership traits refer to individual abilities that define influential leaders. For example, leaders help to motivate others, provide direction, build confidence and initiate action. Leadership qualities, like other skills, can be acquired with time and practice. The five traits of an effective leader are:

1. Effective communicators:

Leaders possess the ability to visibly and concisely simplify problems and solutions and know when to talk and listen.

2. Accountable and Responsible: Leaders take responsibility for any errors and encourage members to follow the rules

3. Long term Thinkers:
Leaders are visionaries.

4. Self-motivated:
Leaders are self-driven and can achieve goals regardless of hindrances.

5. Confident: Leaders can uplift and motivate others, and they are team players.

YOUTH & PEACE IN ACTIONSM

Engaging Young Community Peacebuilders

We are so proud of our Interactors who have taken up the challenge and are participating in the largest ever peacebuilding initiative for youth in the history of Rotary. Congratulations to our **31** Interact Clubs and Interactors who are on their way to becoming young Peacebuilders. We look forward to celebrating with you upon certification at the end of the program.
